Erlang(k=1), CV 1.0

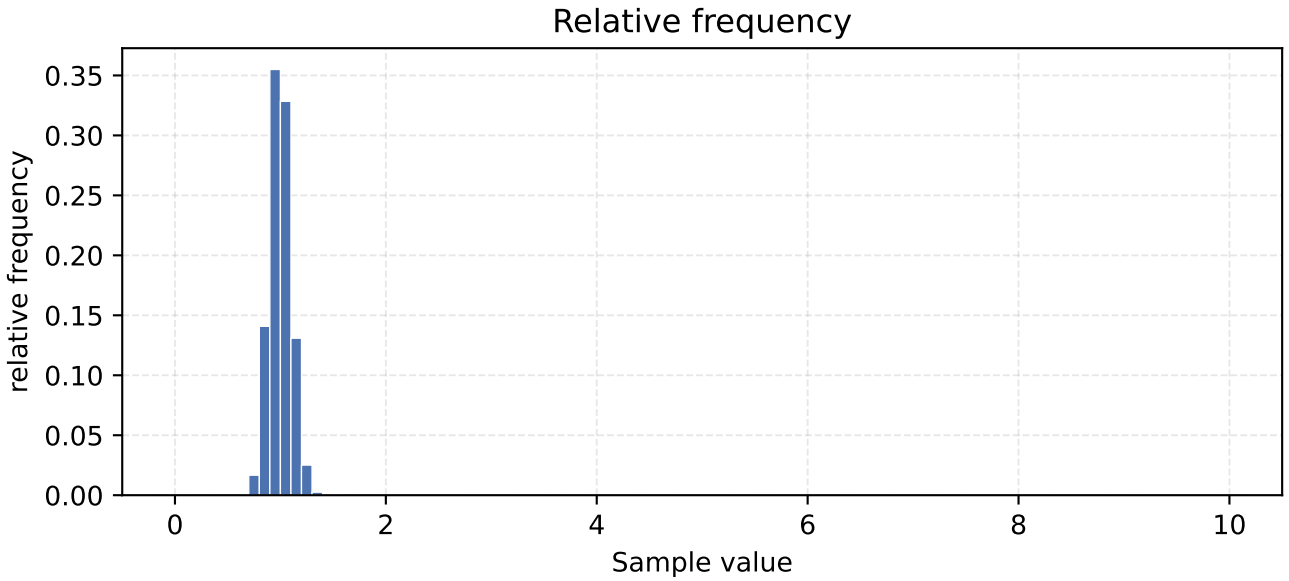

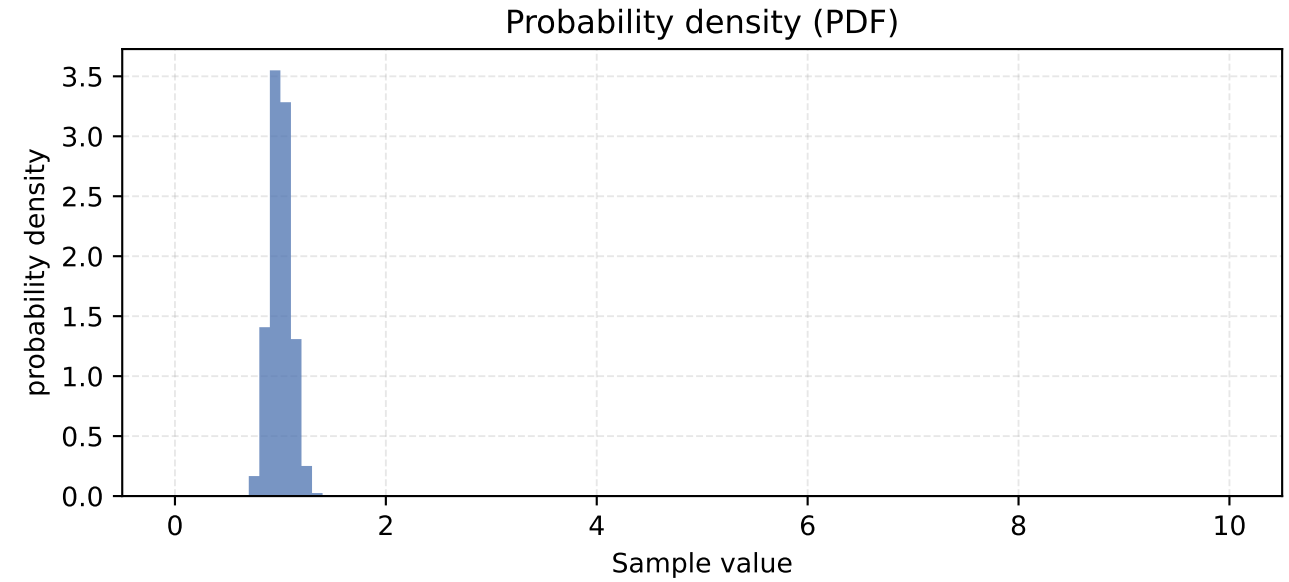

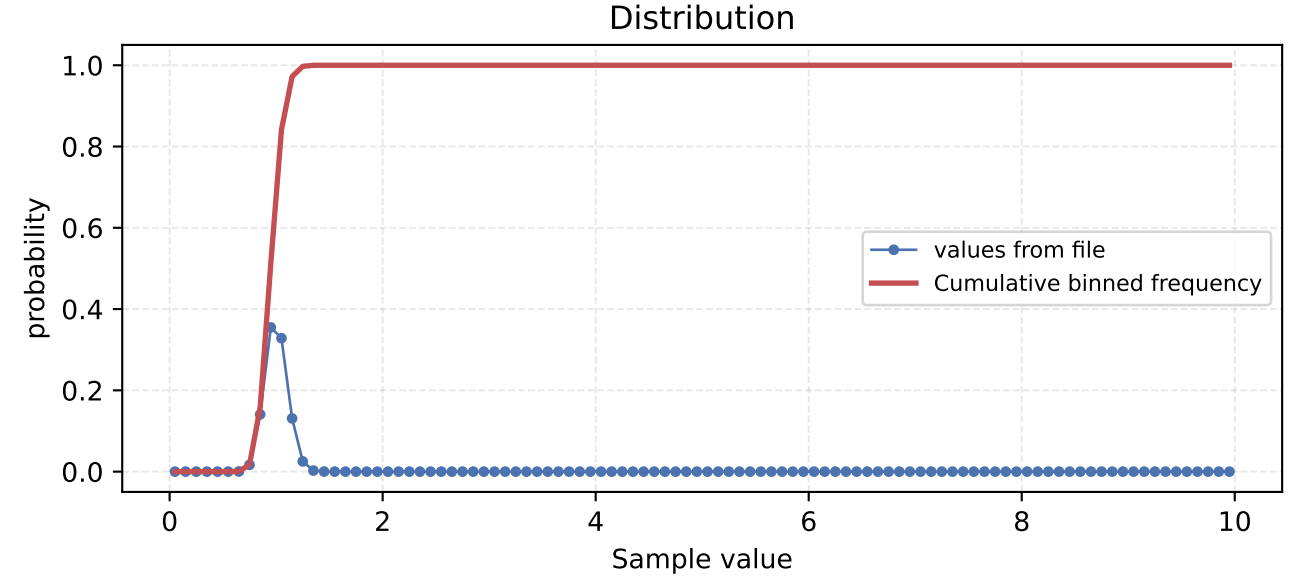

The first and last bins include samples outside the histogram bounds.

Erlang(k=100), CV 0.1

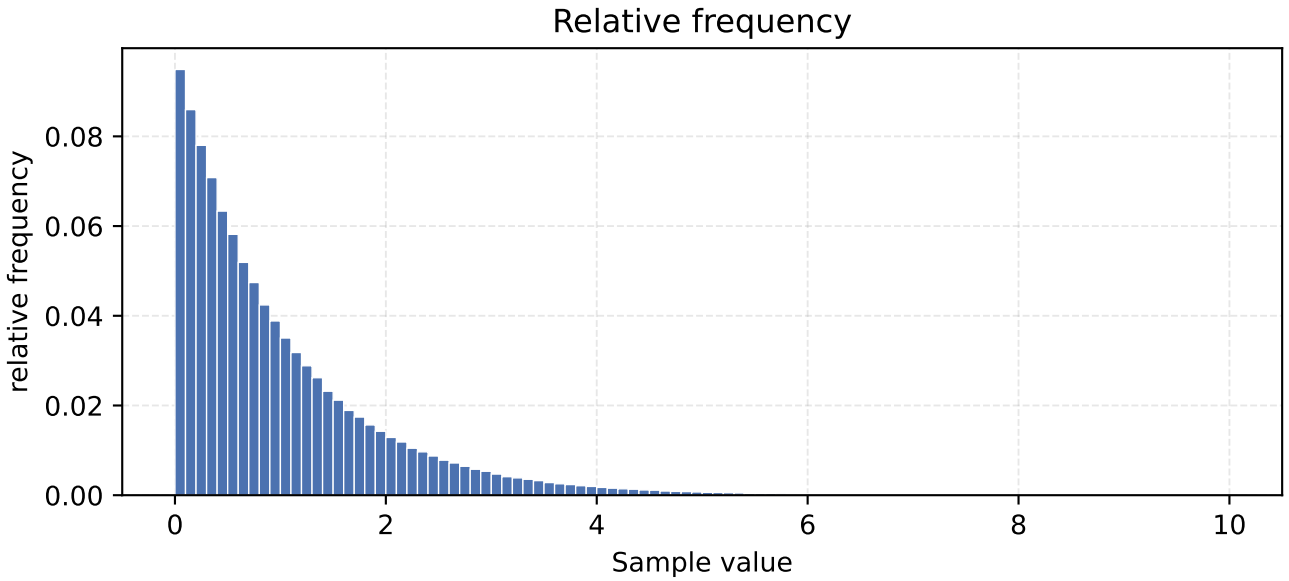

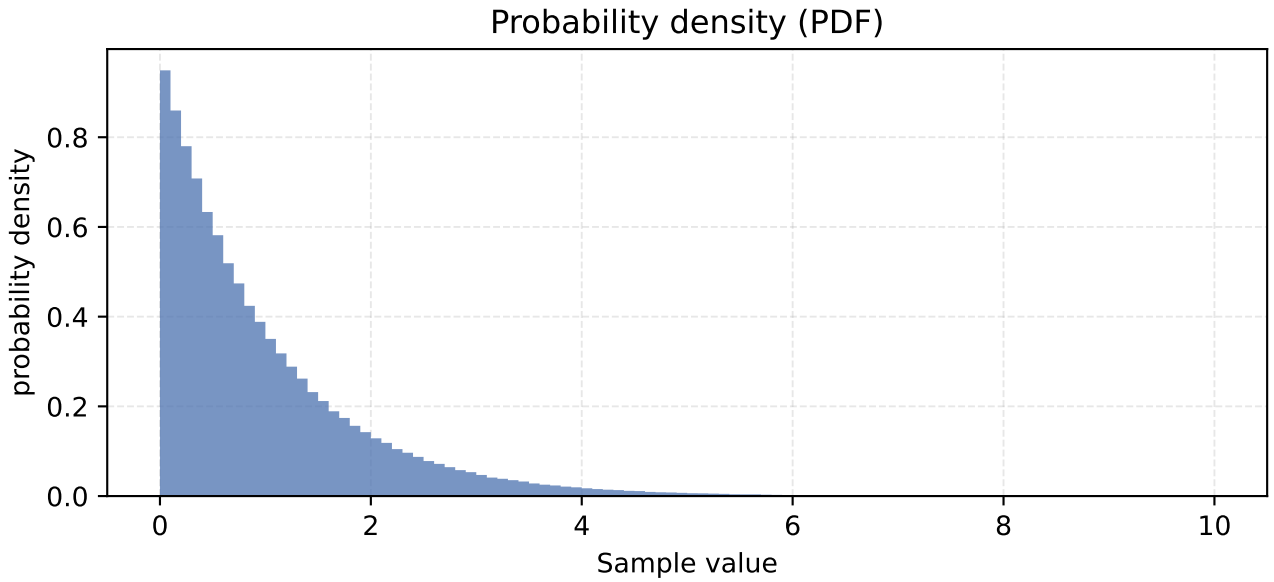

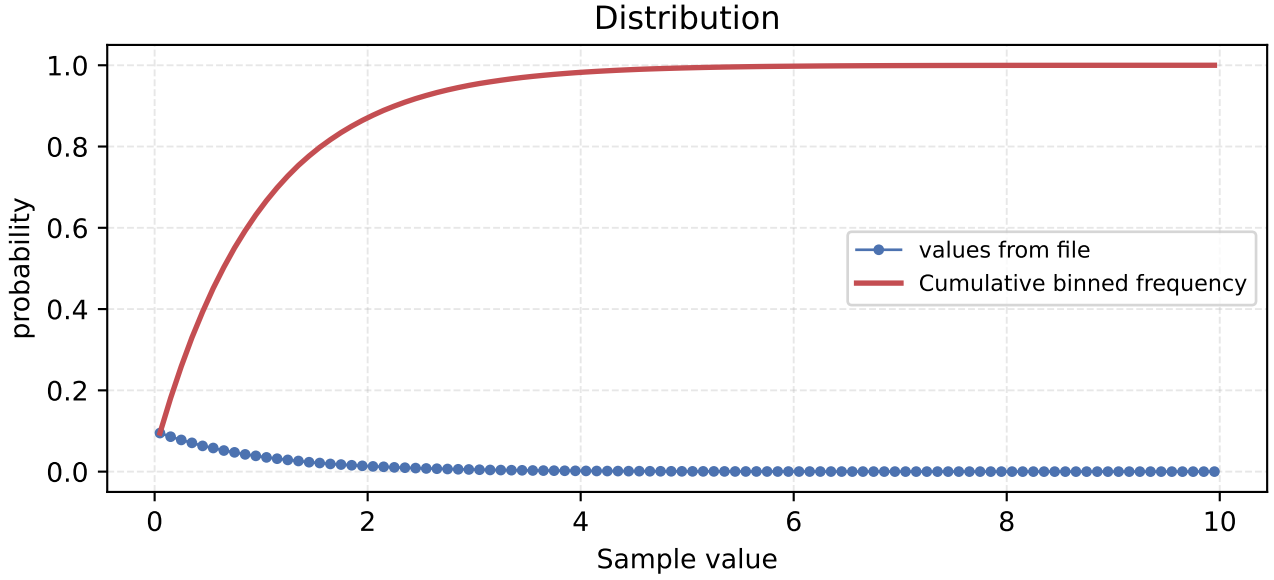

The first and last bins include samples outside the histogram bounds.

Exponential, CV 1.0

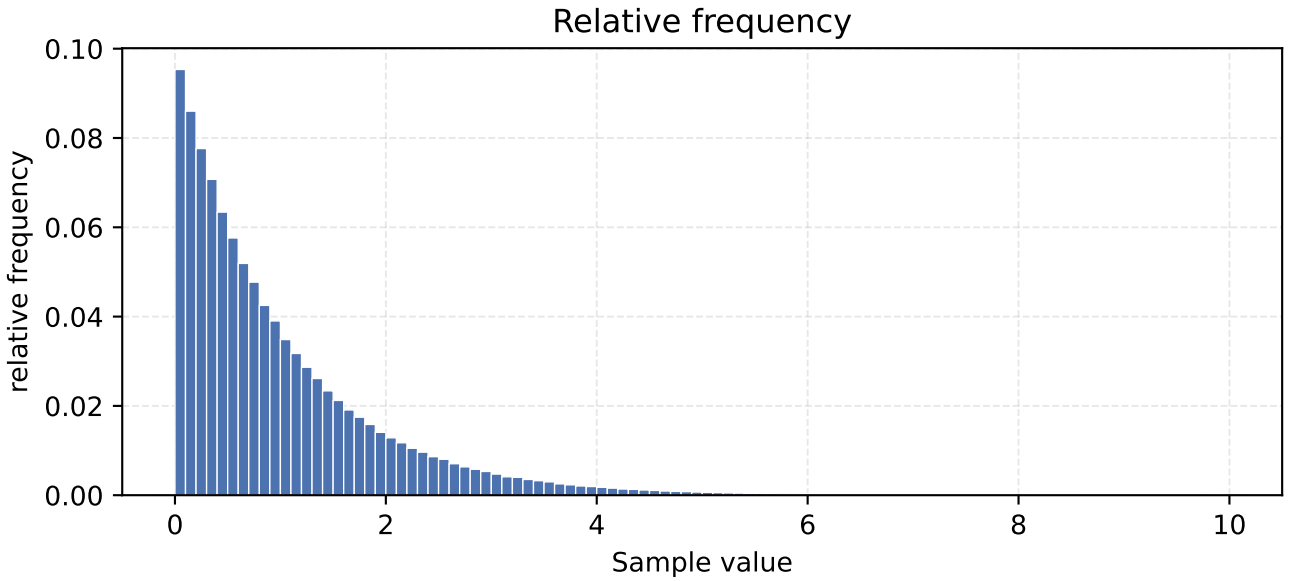

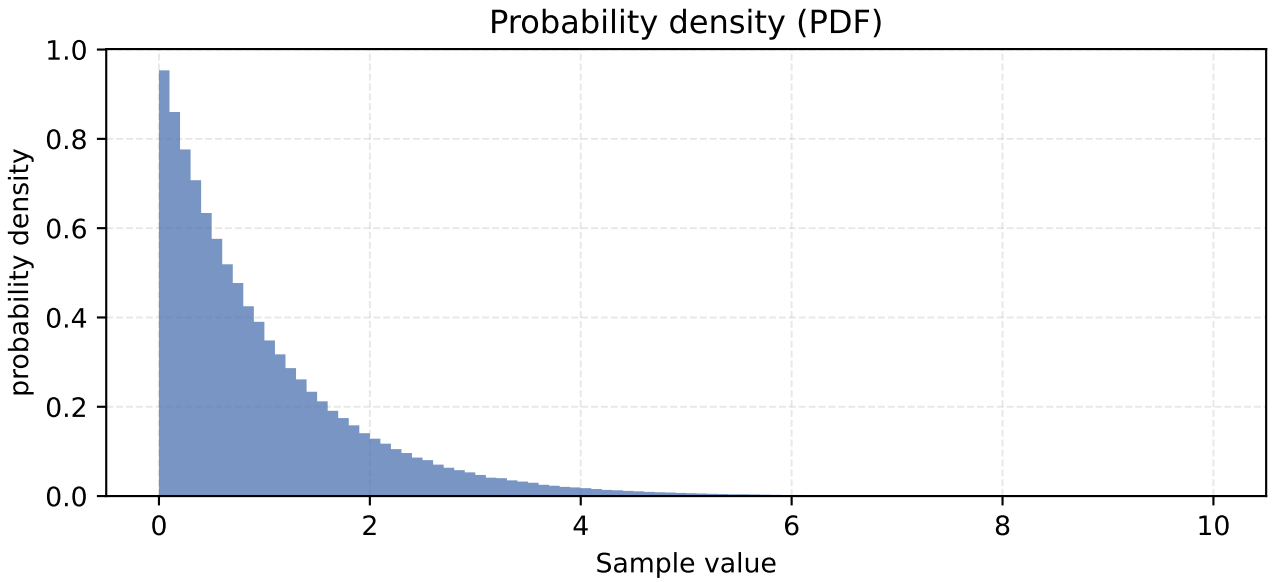

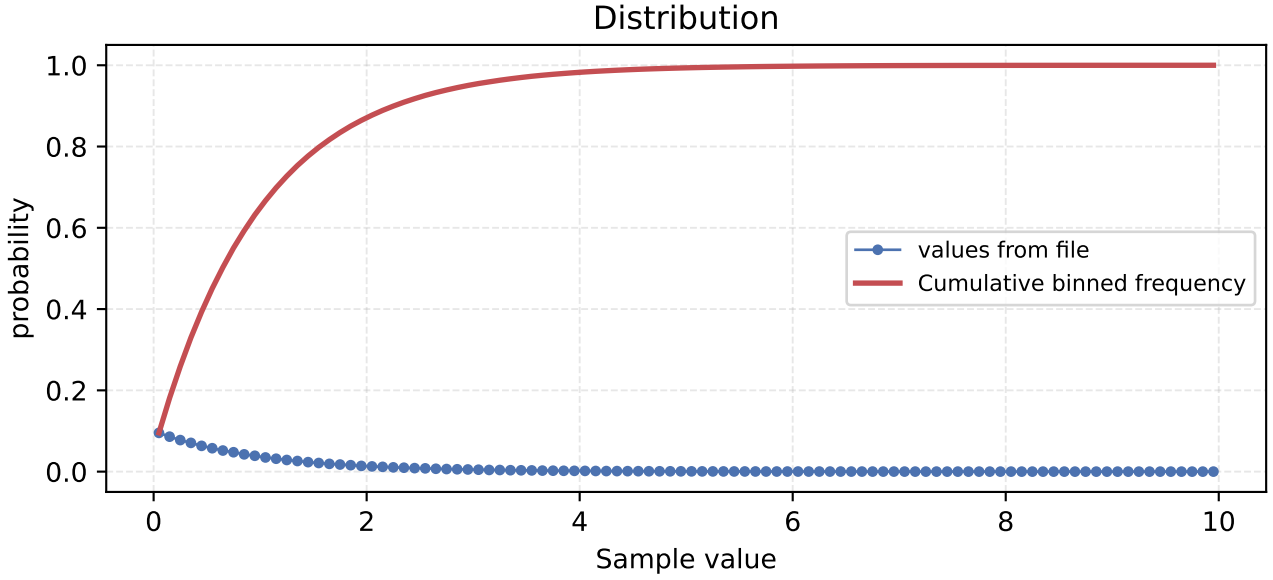

The first and last bins include samples outside the histogram bounds.

H2 (equal rates), CV 1.0

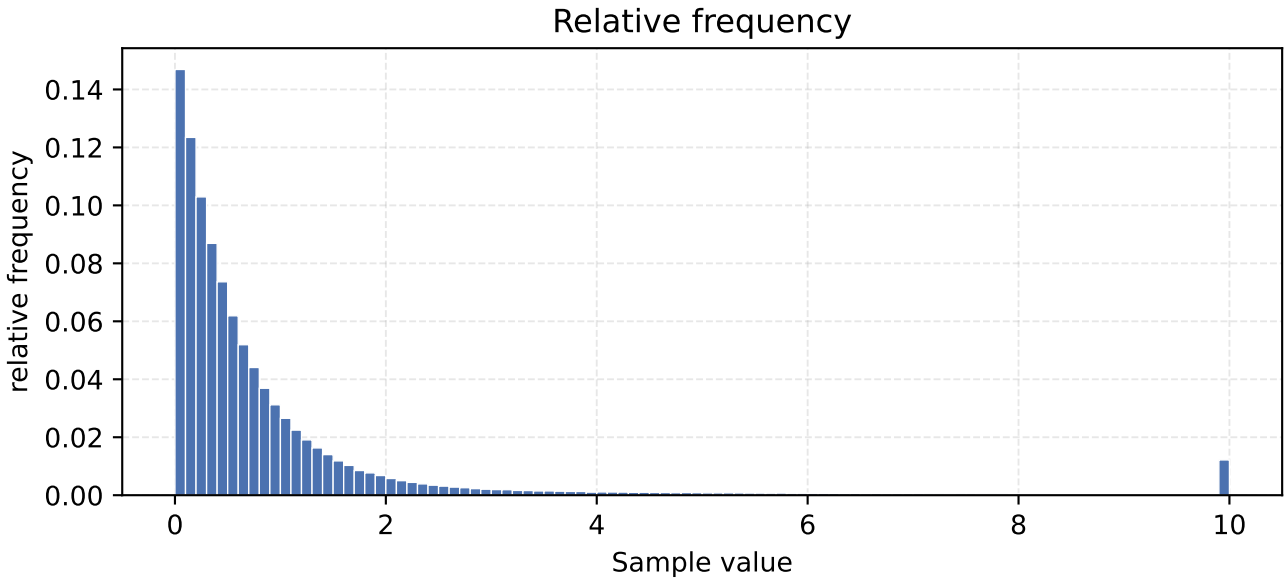

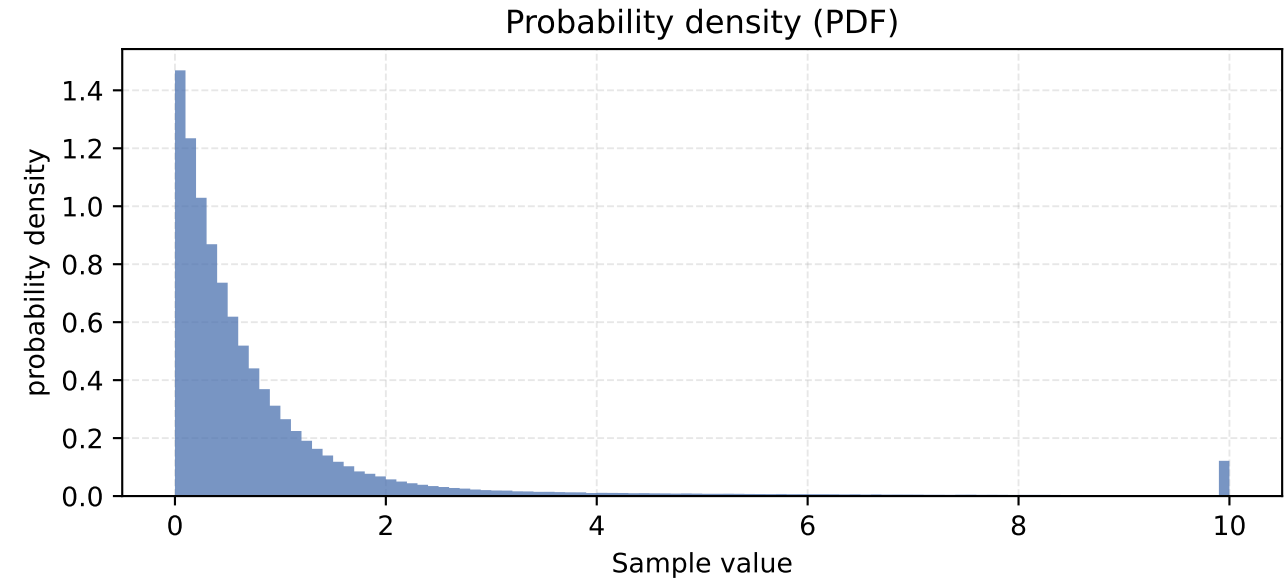

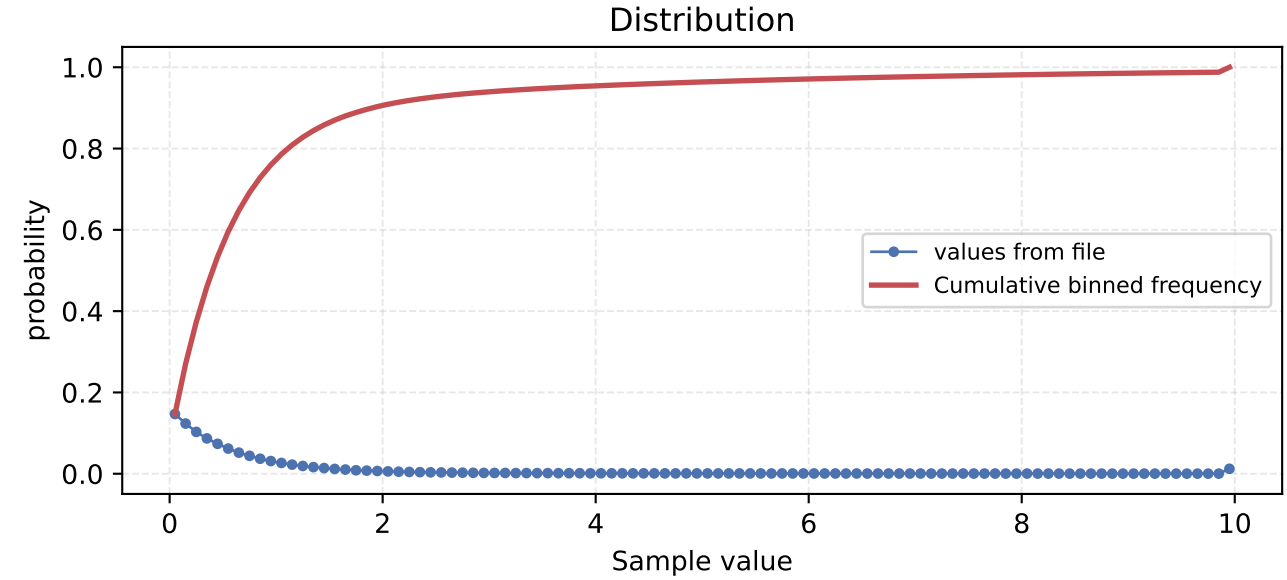

The first and last bins include samples outside the histogram bounds.

Hyperexponential H2, CV 2.0

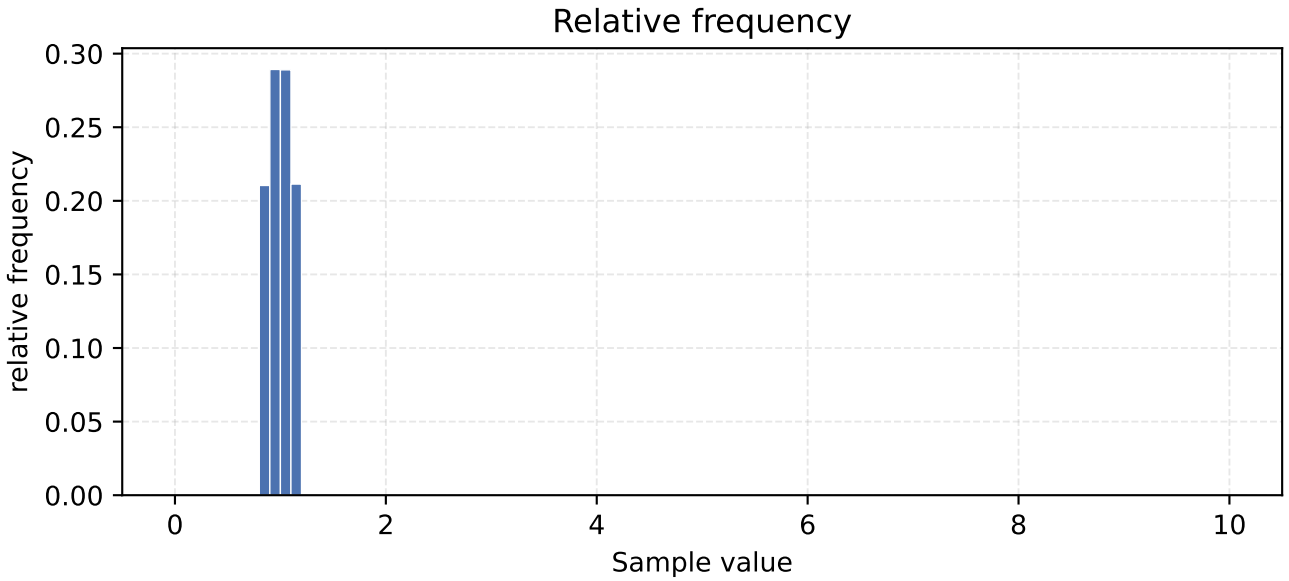

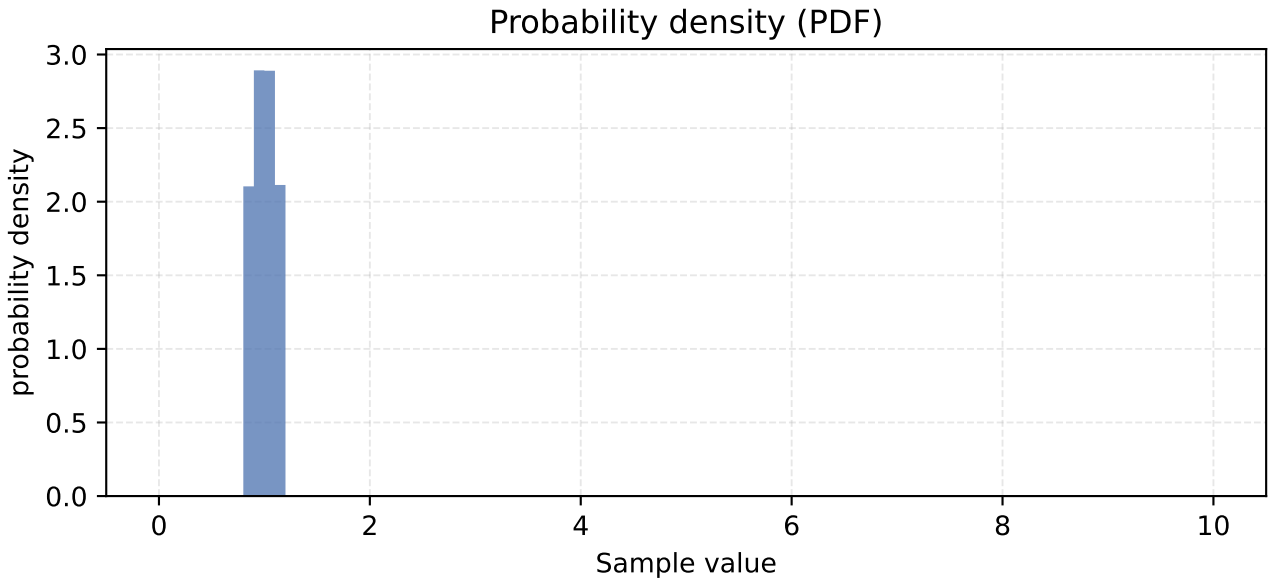

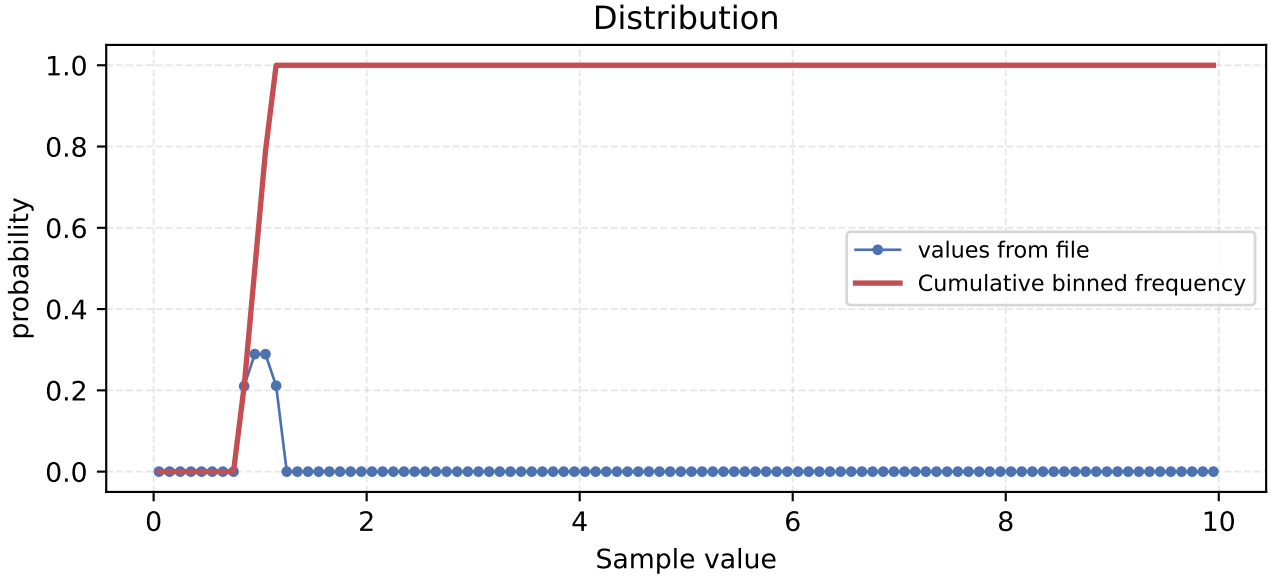

The first and last bins include samples outside the histogram bounds.

Uniform, CV 0.1

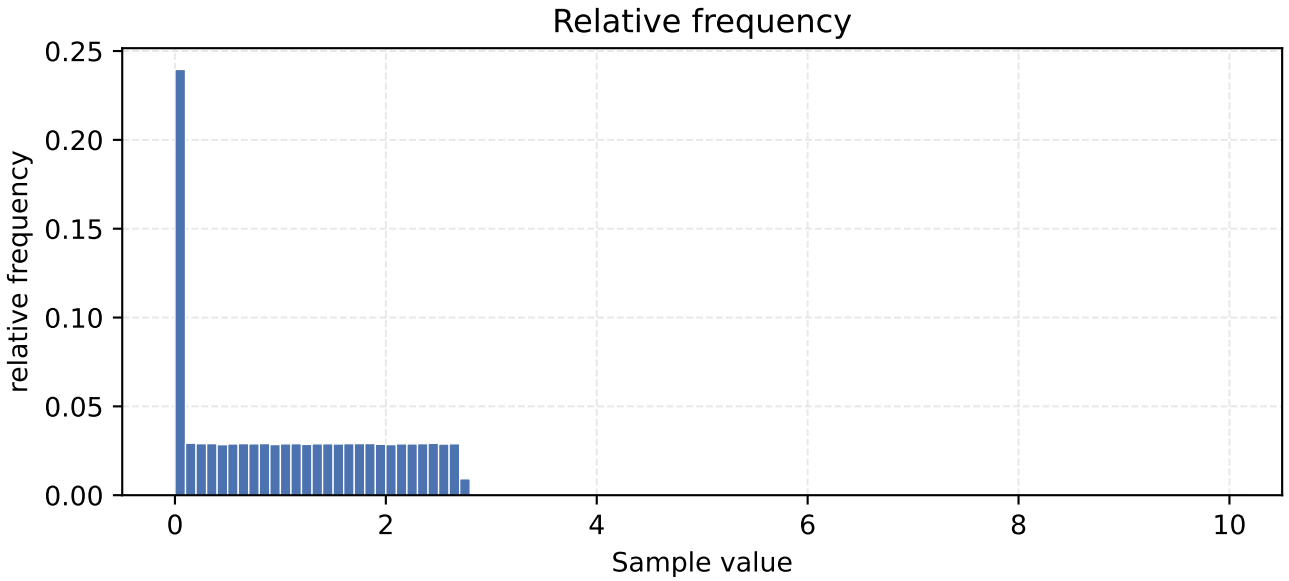

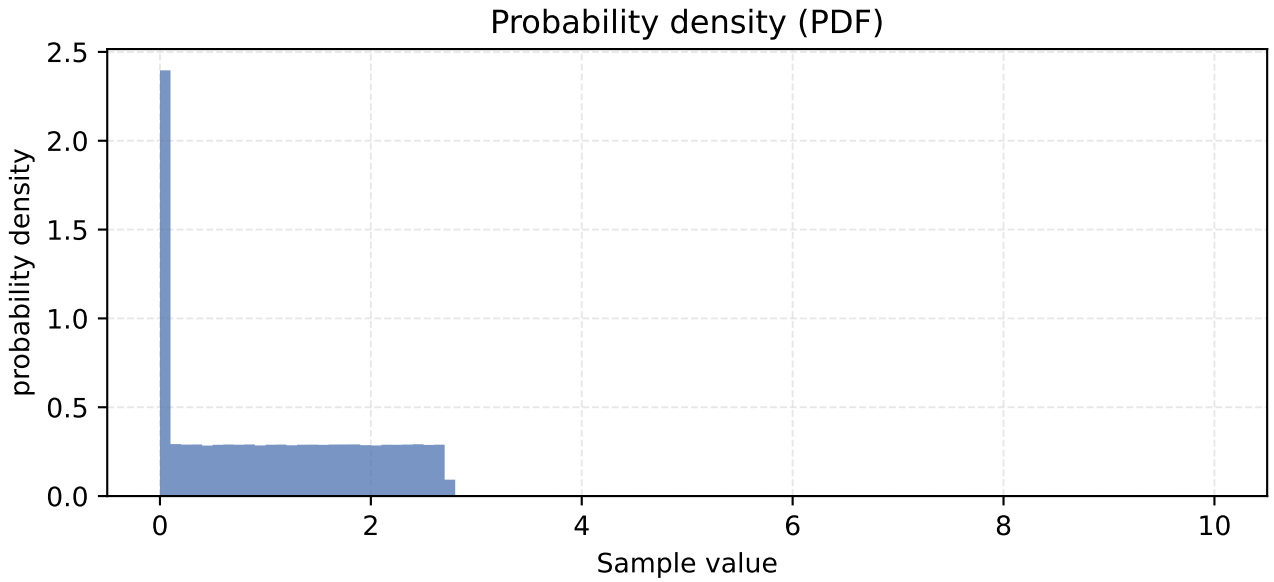

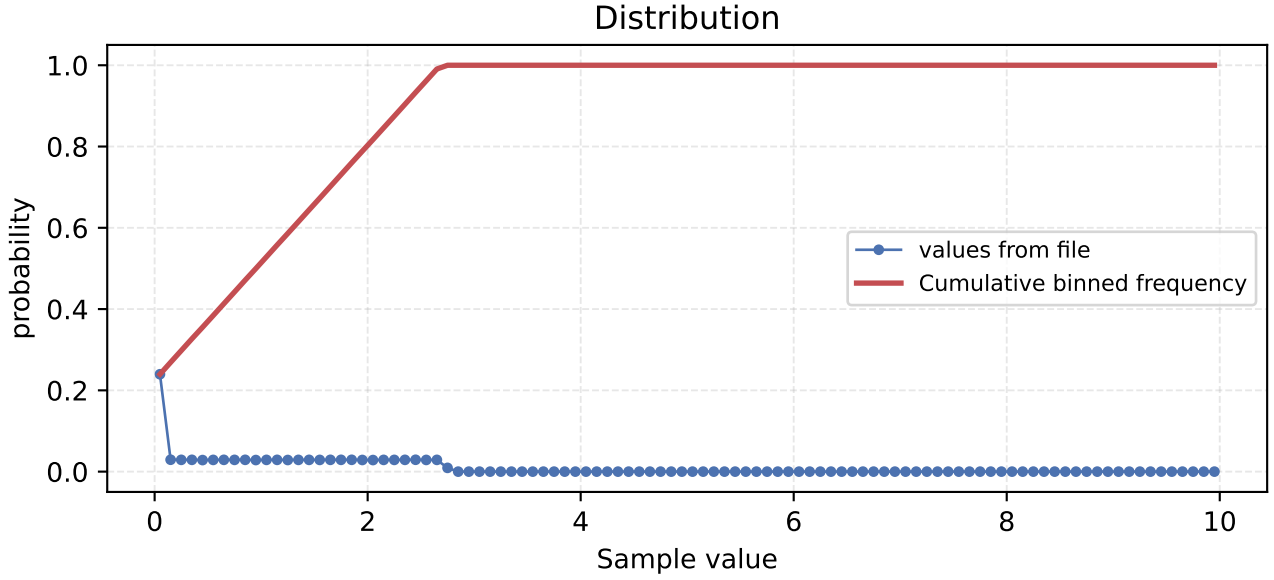

The first and last bins include samples outside the histogram bounds.

Uniform, CV 1.0

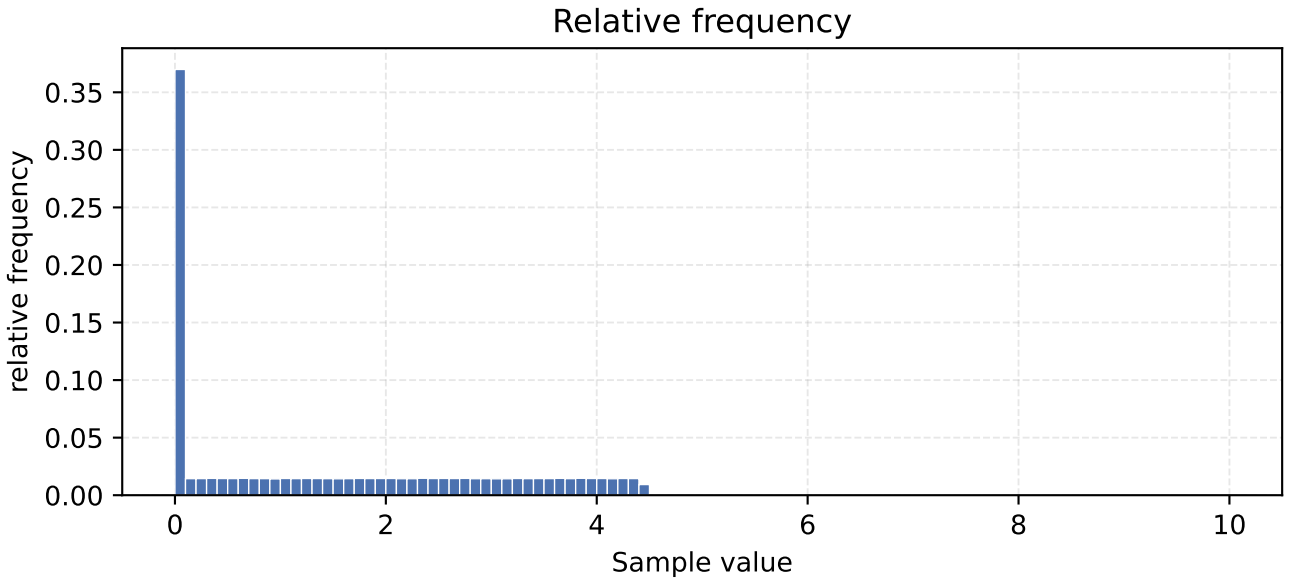

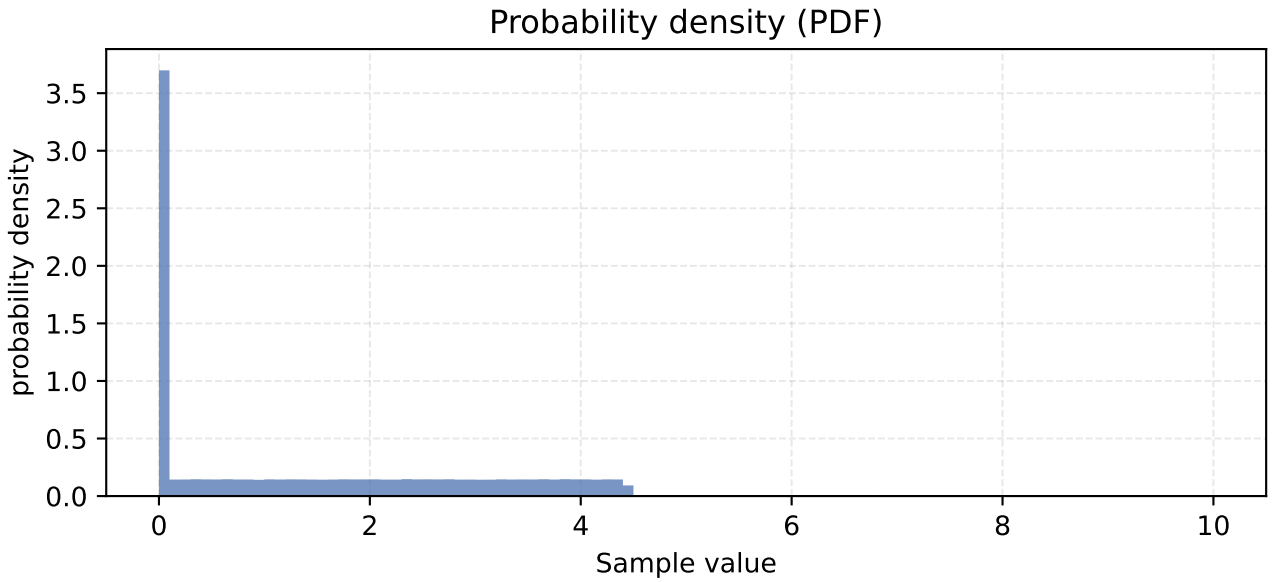

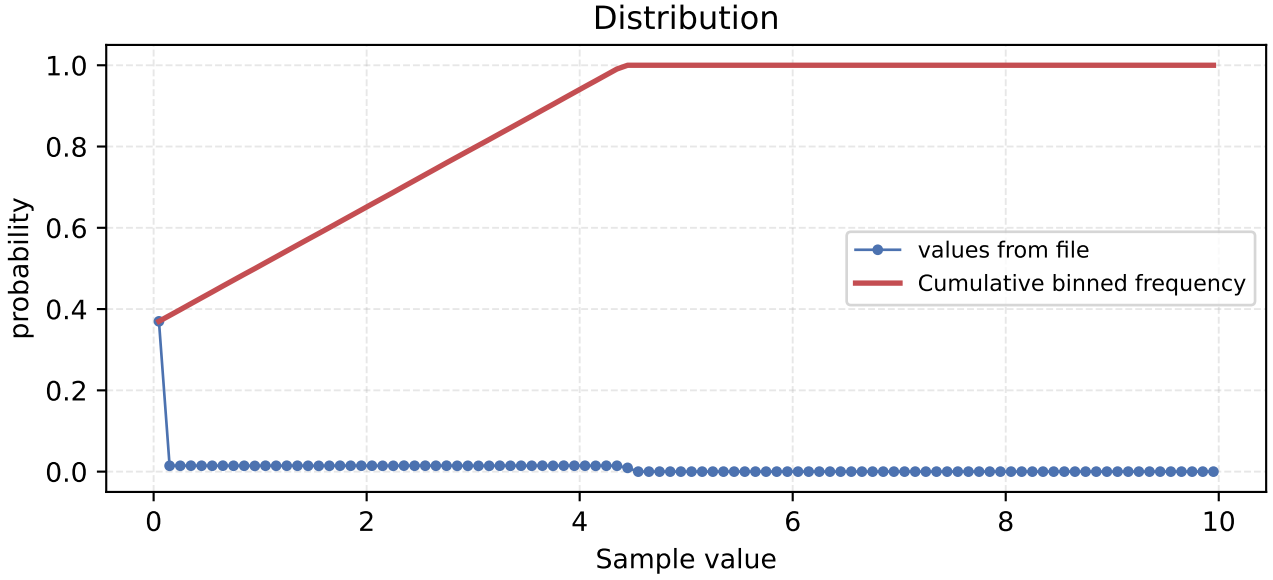

The first and last bins include samples outside the histogram bounds.

Uniform, CV 2.0

The first and last bins include samples outside the histogram bounds.
